Internet Investigations OSINT to OPSEC

Finding, Using, and Verifying Internet and Online Intelligence
Morris County Public Safety Training Academy

May 24 – 25, 2016 -- 9:00 a.m. to 5:00 p.m.

Instructor: Cynthia Hetherington, Hetherington Group

This two-day course provides thorough instruction to Internet Intelligence Training for first responders, detectives, analysts, intelligence operatives, security professionals and the like, so that they can learn how to uncover valuable information from public and private online databases, social networks and OSINT applications. Attendees will better understand the full range of online investigative tools and techniques in order that they may conduct thorough, fully-rounded investigations, including high-end investigations targeting drug trafficking, asset forfeiture, organized crime, and international and domestic terrorism. Key topics include search engines, social media, dark web and TOR, as well resources that you may not be aware of, both free and fee based, which will help combat crime, prevent fraud and gain efficiency in their daily work.

The seminar includes a Seminar includes a Course Guidebook and valuable handouts which will become invaluable tools for everyone whether they are occasional or full-time online research professionals. **Registrants will also receive a Continuing Education Certificate (CEU) for 16 hours.**

Cost: Active Law Enforcement & County Personnel: Free for LEO appreciation week!
Industry: \$499.00*
